

ICE SKATING ASSOCIATION OF IRELAND

COMMUNICATION No.3

Decisions of the ISAI Board

Following detailed work by the Figure Technical Committee and the Board of Directors, revisions have been made to Section 500 (Figure Skating Test Structure). Please read the revised Section 500 carefully and in conjunction with the Test Scores for 2016/2017.

Some of the key changes are:

- All tests scores are now calculated on Technical Element Score (TES) only
- Field Moves, National Ice Dance and Solo Dance all now have a base value avoiding negative scoring.
- In Adult Singles and Pairs tests, a skater can opt to do a programme or an element test.
- Test scores are reflective of changes in ISU Scale of Values.

Test scores for Championship Pairs and Ice Dance and Adult Ice Dance will be released later in the year.
