Section 1000 (Club Affiliation) Update

The Board of the Directors of the Ice Skating Association of Ireland (ISAI) informs members of an update to Section 1000 (Club Affiliation) concerning applications for affiliation by newly formed clubs to the ISAI and renewals by currently affiliated clubs.

From the 2024/2025 season, all new club affiliation applications must be submitted [online](#) with supporting documentation thereafter submitted to the ISAI Club Officer.

By 1 July annually, all currently affiliated clubs must complete the [Club Affiliation Renewal form](#) online to retain their status as an affiliated club and provide the ISAI Club Officer with documentation of any changes to the club's constitution, rules or insurance.

Any questions regarding club affiliation can be addressed to the ISAI Club Officer by email (ClubOfficer@isai.ie).
